

Please email us at the New Teacher Center

(TELLsurveyinfo@newteachercenter.org) and share a brief description of ways you have used the TELL Survey data for school or district improvement planning. We are especially interested in school leaders and district leaders testimonials on ways the data has proven to be very helpful to you.

We will share your information on our testimonials page. Thank you!

Be sure to include the following information in your email:

1. school and or school/district name
2. state
3. a phone number to reach you
